

## El Paso Police Department Home Inspections for Homeowners

A certified Crime Prevention Officer will inspect your residence and if it passes requirements as put forth through the Texas Department of Insurance, it may qualify for a discount on your homeowner's insurance premium.

What is required? Exterior doors must be solid doors that are secured by dead-bolt locks and other doors must meet certain requirements. Auxiliary locking devices are needed for windows and may include wrought iron.

If you would like to schedule a home inspection, simply phone for an appointment. Officer Linda Olvera, the Mission Valley Regional Command Crime Prevention Officer will do a walk through inspection of your residence and will advise if it passes or what is required for your home to qualify for the reduction of your homeowner's insurance premium.

If you have questions, please feel free to contact your area Crime Prevention Officer. For the Mission Valley Regional Command Center, the Officer is Linda Olvera. Please call to set up an appointment (915) 872-3703.

*This inspection is a crime prevention service provided at no cost, courtesy of the El Paso Police Department.*
